

Technical drawing of a road intersection and junction, showing various road segments, curves, and engineering details. The drawing includes labels for road names (e.g., SILNICE III/10042, SILNICE III/1025), road numbers (e.g., 492/2, 492/5, 492/7), and various engineering parameters (e.g., R=1250, R=2500, R=3400, R=2750). It also shows a bus stop (ZASTÁVKA BUS) and a bus lane (TRATIVOD VLEVO, TRATIVOD VPRAVO). The drawing is a detailed plan view of the road layout, showing the intersection of several roads and the proposed changes to the road infrastructure.
