

This map illustrates a proposed road network in the Mělník region, featuring various traffic signs and route markers. The map includes the following elements:

- Geographical Context:** The map shows the Mělník region, including the city of Mělník and surrounding areas like Liběchov, Střednice, Vysoká, and Mělnické Vtelno. The Vltava River is visible on the left side.
- Proposed Road Network:** The network is color-coded:
  - Red Lines:** Represent the main proposed road network, including routes like II/273, II/274, and I/16.
  - Blue Lines:** Represent existing or planned roads, such as III/27314 and III/2731.
  - Pink Lines:** Represent another set of proposed roads, including routes like I/16 and II/274.
- Traffic Signs:** Numerous traffic signs are placed along the proposed routes, including:
  - Warning Signs (POZOR):** Signs with a red border and a black triangle, indicating potential hazards or construction.
  - Priority Signs:** Signs with a red border and a black circle, indicating priority roads.
  - Directional Signs:** Signs with a red border and a black arrow, indicating the direction of travel.
  - Other Signs:** Various other signs, including those for pedestrian crossings, school zones, and other road-related information.
- Route Markers:** The map includes route markers for various roads, such as II/273, II/274, I/16, and III/27314.
- Topographical Features:** The map shows the terrain, including hills and valleys, and the location of various settlements and landmarks.
